

Products

Uninterruptible Power Systems

- New, and Refurbished UPS Equipment
- Desktop to Large Data Center Protection

Computer Room AC

- Environmental Control Equipment
- Self Contained Ceiling Mount Units
- Air Cooled and Chilled Water Systems

Rectifier/Inverters

- 1PH/3PH - 50hz/60hz
- Rack Mount or Stand Alone

Motor Generators & Frequency Converters

- 50hz/60hz

Gas, LP and Diesel Generators

- Small Portable to Large Stand-By

Batteries

- Telecom
- UPS Systems
- Emergency Lighting

Surge Suppressors

- Complete Service Entrance
- Servers and Switching Hardware

Environmental & Remote Monitoring Devices

- Sub Access Floor
- Internal and External
- Power, Temperature, Sound, etc.

Services

Full Service Maintenance

- Rectifier/Inverters
- Gas, LP and Diesel Generators
- Uninterruptible Power Systems
- Battery Replacement Coverage
- Motor Generators/Frequency Converters
- Power Conditioning/Distribution Systems

Preventive Maintenance/Time & Materials

- Access Floor
- Battery Systems
- Rectifier/Inverters
- Gas, LP and Diesel Generators
- Uninterruptible Power Systems
- Motor Generators/Frequency Converters
- Power Conditioning/Distribution Systems

Battery Maintenance

- Run Time Analysis
- Battery Load Testing
- Full Install and Disposal
- Extended Battery Replacement Coverage

Installation & Start Up

- UPS Start Up
- Power Distribution Cables
- Turn-Key Electrical Installation
- Extended Battery Runtime Installation

Power Quality Analysis

- Load Balancing
- EMI/RFI Analysis
- Thermal Imaging
- Site Evaluation Services
- Power Quality Evaluation
