

SmartPro® UPS System Warranties Increasing from 2 Years to 3 Years

Effective immediately, Tripp Lite is increasing the warranty of most new SmartPro UPS Systems from 2 years to 3 years without additional cost. Customers simply register at www.tripplite.com/warranty to receive the third year of warranty coverage.

SmartPro UPS Systems Eligible for Warranty Increase

(2-Year Warranty Becomes 3-Year Warranty with Registration)

All models feature network-grade power protection, including line-interactive operation (Automatic Voltage Regulation), surge suppression and noise filtering with reliable battery backup. All models also include USB and/or serial communication ports.
